Prayers for Private Use

Dear Jesus,
Today we marvel at who you are. We thank you that you came in human form and lived on earth just as we live, yet you didn't sin and you always did what your Heavenly Father desired. We have celebrated Easter and your resurrection from the dead and the time you spent on earth appearing to your disciples afterwards. Today we think of your ascension into heaven when you left the earth by being taken up into a cloud while the disciples watched. As human beings, we feel great sorrow that you departed the earth and no longer walk and talk with us in human form. Sometimes we yearn and ache to actually touch you, or to ask you a question and hear an answer with our ears or to see your face with our eyes. Yet we are also grateful that you are in heaven, seated on the throne, holding together everything here on earth. Help us to follow the example of the disciples who, after seeing Jesus leave this earth, returned to Jerusalem and "joined together constantly in prayer." Today may we all voice our prayers to you about the need of your presence in our lives and in our world and our great need for your direction, strength and help. We pray in the name of Jesus. Amen.
